CURLY TOP

She's 9 inches tall, a petite and pretty charmer.

Here's a doll any toddler will love during play hours, and take to bed as well. We give the full size pattern pieces for you to trace. The outlines are the cutting lines, the inner lines, the seam lines. Short lines at right angles indicate slashes. Follow instructions printed on each pattern piece.

Embroider nose and mouth in outline stitch, thereafter doll is stuffed, embroidered eyes in outline and satin stitches. Colour cheeks with pink crayon. Stitch all darts on body. With wrong sides together, match side body pieces to long middle piece, making sure eyes match. Stitch, leaving opening for turning to right side. Clip curves, turn and stuff. Close opening. Sew darts on 1 and 1 reverse arm pieces. With right sides together, match arm piece with dart to arm piece without and stitch, leaving opening for turning. Turn to right side, stuff. Close opening. Match two leg pieces and stitch, leaving opening between dots and an opening for turning. Seam soles in place, matching dots. Clip curves, turn to right side

MAKING HAIR. Dots and broken lines on head are a guide for attaching wool. For curls, take a stitch in each dot and let 1½ in. of wool extend at each end. To cover top of head, take long uneven outline stitches and let 3 in. of wool extend at sides and back of head at hairline. Trim and comb ends; dampen and set in pin curls. After drying, comb hair as illustrated. Tie hair ribbon around head. For plaits, leave longer ends of wool around head, plait.
